Daniel Porfiriadis

Junior Software Engineer | +30 6987099630 | contact-me@danielporfiriadis.com | danielporfiriadis.com

Education

- **BSc in Computer Science** at University of Derby with GPA **80.14**.

- **BSc in Economics** at University of Ioannina with GPA **6.44**.

My Projects

- **BSc in Computer Science Thesis**: I created a **Convolutional Neural Network** to **recognize facial emotion** expressions using **Python** and **Keras** and I implemented it into a Raspberry Pi device.
- **Skg.Code**: I participated in a 6-members team and created a Social Network, using agile methodologies and technologies such as **Angular** 10, **NodeJS**, **Express** and **MongoDB**. As a **full-stack developer**, I was involved in the full cycle of the project. I also, attended various workshops about soft skills such as: Time Management, problem solving etc.
- **E-Commerce**: A **Laravel** and **Vue.js project** I created during my Application Development module.
- **Android Application:** In a 3 persons team we developed a Carpooling application with MVC Architecture, using; **Java** for the Frontend, **C#**, **.Net Core**, **Entity Framework** and **MySQL** for the Backend, also **API's** such Google Maps were used. We additionally created a project for a company, using **Java** and **Spring**. Through both developing processes we used **Scrum** methodology, and tools like **Trello**, **Visual Paradigm** and **Git**.
- **Personal Website**: I developed my personal website with useful information and most of my projects since 2018. Feel free to visit it here.

Skills

- I speak **English** fluently and I can communicate well in **German**.
- I can work efficiently with **JavaScript** (Node, AngularJS, React), **PHP**(Laravel), **C#** (.Net Core), **Java** (Spring), **Typescript** (Angular 2+), **SQL** or **NoSQL** and **REST APIs** technologies. I also have fundamental knowledge on C++ and C.
- I am a very **determined** & **motivated** person, constantly trying to **improve** my knowledge and my personality. I am **performing excellent inside** a **team,** and I am very **organized**.

Experience

CO- FOUNDER & OWNER | MILLION BEAUTY LOOKS | 2019 -PRESENT

- Million Beauty Looks is a cosmetic e-Commerce and me and my family started it back in 2019.

SALES REPRESENTATIVE | MONDELEZ INTERNATIONAL | 2017 - 2018

- I had various banners as clients, and I achieved all my monthly goals that were set.

BEFORE 2017

- I began working from the summer of 2009. Ever since I have had many jobs until 2017.

Hobbies

I enjoy jogging, reading books, cooking for friends, playing board games & chess.
